

One Community Together News

SUMMER 2021 Edition

Legends of the Plains

In 2020, One Community Together was unable to host our annual Clarence Plains Community Awards with the fun and flair it deserves due to COVID-19 safety concerns. However, we knew that it was more important than ever to acknowledge and shine a light on the community champions that were, and still are, doing wonderful things for our Clarence Plains community.

And so, Legends of the Plains was born. In early October, we asked you to nominate those in our community going above and beyond to help others in Clarence Plains, especially during the most difficult times of the pandemic.

We received 10 brilliant submissions about people who are kind, generous and help others. It is our pleasure to SHINE A LIGHT on our local legends.

If you would like to read our legends stories, head to our Facebook page where we are currently publishing 'Shaping the Plains!' This is another project showcasing our amazing locals.

**Clean the Plains 2021
is coming to a
Neighbourhood Centre
near you soon!**

Clean the Plains 2020

You told us you were concerned about rubbish and litter and on the 29th of February, you put those words into action. One Community Together would like to say a huge thank you to all the volunteers who came out to Clean the Plains, removing rubbish and litter from public spaces we all enjoy. THANK YOU for being the change you want to see and shaping your community.

Clean the Plains 2020 was epic. 81 local volunteers set out across our parks and open spaces in search of litter and dumped items. Each year the event is supported by Clean Up Australia Day. The day kicked off at 9am with all volunteers attending safety briefing at the Rokeby and Clarendon Vale Neighbourhood Centres. Everyone then donned their high vis gear, grabbed their cleaning equipment and headed out to make a difference.

117 tyres and 40 cubic metres of rubbish were removed. Well done to everyone for having a go - it's amazing what can be done when we work together.
